ABOUT US

RR Retail comes to life where history and culture arise, carved in rough stone in order to shine bright like a diamond.

Love for luxury, especially an outstanding one, goes through unique experiences: today RR Retail gives life to experiences, to journeys into the world of beauty, a beauty that is etched right into its DNA.

RR Retail prende vita dove nascono storia e cultura, scolpito nella pietra grezza fino a risplendere della luce di un diamante.

L'amore per il lusso, soprattutto quello estremo, passa attraverso esperienze esclusive: oggi RR Retail dà vita propria a viaggi nel mondo della bellezza, che porta incisa direttamente nel suo DNA.

Your store defines who you are, it tells your story through its design, that's why together with you we study the restyling and renovation of its interior, with design solutions that can meet the needs of the business uses.

We turn our customer ideas into realities, creating spaces from the foundation up to the finishes. We provide one single contact point for all job phases, respecting costs and delivery times.

Applying our history, tradition, and experience to new areas, today we are able to create facilities and interior areas of the luxury food & beverage sector, such as wine cellars and restaurants, meeting the particular needs and functionality that these realities require.

Il tuo negozio dice chi sei, racconta la tua storia attraverso il suo design, per questo insieme a te studiamo la ristrutturazione e il restyling di interni, con soluzioni di design che sappiano rispondere alle tue esigenze.

Trasformiamo le tue idee in realtà, realizzando spazi dalle fondamenta, fino alle finiture. Garantiamo la sicurezza di un interlocutore unico in tutte le fasi dei lavori e il rispetto di costi e tempi di consegna.

Applicando la nostra storia, tradizione ed esperienza a nuovi settori, oggi siamo in grado di realizzare strutture e interni del food & beverage di lusso, come cantine e ristoranti, rispondendo alle particolari esigenze e funzionalità di cui queste realtà necessitano.

WE STRIVE TO MAKE THE DIFFICULT LOOK EASY.
